The Beulah Parks & Recreation Department is organizing racquetball leagues for both men and women for the winter of 2019-2020. The proposed time-frame for regular league play is 12 weeks—beginning in early-December (but taking a break for the weeks containing Christmas Day and New Year's Day) and concluding in mid-March. What will follow are season-ending men's & women's tournaments—pairings for which will be determined by regular-season match results—that will be staged from mid-March into April.

Pre-set weekly pairings for pre-tournament play will be established by BPRD staff after the registration window closes at the beginning of December. Participants slated to play each other each week would determine among themselves a mutually convenient time to schedule their matches.

LIABILITY WAIVER:

I agree to release the City of Beulah, the Beulah Parks & Recreation Dep't, and all their employees of all liability related to accidents or injuries which I might incur while participating in the above-stated activity. I also give permission for emergency medical procedures to be administered if I cannot convey such permission verbally due to an injury sustained while participating in said activity.
