---

The Beulah Parks & Recreation Department is organizing a mixed racquetball league (men and women combined) for this winter of 2022-23. The proposed time-frame for regular league-play is 12 weeks—beginning the week of January 9<sup>th</sup> and concluding at the end of March.

**Once weekly, groups of four designated participants will meet at the EWC to play, rotating doubles' partners among themselves that outing, so that each player will be paired once with the other three in the group on that particular day of play. Participants slated to play together each week would determine among themselves a mutually convenient time to schedule their matches.**

LIABILITY WAIVER:

I agree to release the City of Beulah, the Beulah Parks & Recreation Dep't, and all their employees of all liability related to accidents or injuries which I might incur while participating in the above-stated activity. I also give permission for emergency medical procedures to be administered if I cannot convey such permission verbally due to an injury sustained while participating in said activity.
